SENIORS

After finishing 7-2 for the past three seasons, this year's Warrior Football Team experienced an exasperating 4-5 record for their efforts. Lacking a great deal of experience after graduation losses last year, the squad was plagued by numerous mistakes and penalties early in the season which ultimately cost them a better record which people were hoping for. The Warriors at times displayed flashes of extremely fine play but inconsistency hurt them over the course of the season and resulted in several contests being lost by a small margin of points. As can be noted from the seasons results the team just missed a fine 6-3 record by just 5 points.

Next season will find the Warriors having to fill a number of key positions which will be left open by graduation losses. Gone will be 13 fine Seniors who will be missed. A large number of returning candidates are expected when fall drills commence and a good nucleus of lettermen will be on hand to assure the Warriors of hope for gridiron success when the 1977-78 season begins. How well the Warrior Football future shapes up will depend in large on how well the younger players progress to fill key positions left open by graduation.

The B Squad - Junior varsity football team played a 5 game schedule this year, winning one game but showing some promise of developing for the future. The warriors were a young team, with a number of freshmen playing regularly, even on the junior varsity. The team dropped its first two games to Gaylord and Sleepy Eye, then came back to defeat Morgan 14-0, played a fine game but lost to Gibbon 12-6, and ended with a 20-0 loss to MLA. Offensively, the lack of a consistent attack plagued the young warriors while defensively they hurt by a few big plays. Some of this years B squaders will be able to step in and help the varsity next year while many of the younger players will have to provide needed depth for the varsity as they continue to play junior varsity ball.

Junior High Football The Junior High Football team played a five game schedule this year. Although ending with a 1-4 record, the young warriors played some real fine football and were never out of any games. Defense was definitely a bright spot as the team allowed an average of just 8 points per game. But on the other side of the ball, the offense could muster only 6 points. This group of athletes shows great potential and will win several football games before they graduate.

BOYS

Injuries kept the Boys from achieving great Team Success in 1976. A key injury was Craig Hoffman, who hurt his knee early in the season. Craig was able to return for the Region Meet and was able to help the Team do well in that Meet. Although there was little Team Success, the Team did win The District 14A Meet and had a great deal of individual success. Dave Peterson won several Meets including Conference, District and Region. He finished 15th in the State. Al Peterson was 2nd in the District and 14th in the Region. Joe O'Brien and Dave Griebel finished high in all the Jr. Varsity events they ran in. All five boys are underclassmen, and should return for a fine season in 1977.

GIRLS

Mary O'Brien was the only Girl who was out for the entire season. She was District champ and 5th in the Region, thus qualifying to the State Meet. Several other girls came out late in the season to help Winthrop finished Second in the District and 9th in the Region. Of these, Cindy Bussler finished 3rd in the District and 28th in the Region. Joan Sjostrom was 5th in the District. All these girls are also underclassmen, so they should return for an excellent season next year.

The Warriors worked very hard at having a successful season. We finished with an 11-10 record and 4th place in conference action. The Warriors played very well all season and were in every game but two. In many of our games we lost by less than five points. Next season we will have to work hard at having a winning season, but if the boys work as hard as they did this season, we should finish in the top division of the conference and have a winning year.

B-Squad- This season's bombers had a disappointing year, winning only two of seventeen games, but because we were not concerned with compiling an impressive record, each of the boys was able to play a considerable amount of time and gain experience for next season's play.

The freshmen had a 9 and 4 season, finishing second in our annual tournament. Highlight of the season had to be an impressive win over Gaylord. With continued individual improvement, this group should give us another fine team for the immediate future.

FRONT ROW; L.-R.; S. Schultz, M. Rettmann, J. Schuette, R. Haines, S. Hanson, E. Heisel, C. Kruggel. ROW 2; S. Johnson, G. Nelson, B. Hoffman, K. Satre, M. Kley, B. Buntrock. ROW 3; C. Huelskamp, M. The Junior High Basketball teams finished the year with a record of 6-3 in eighth grade and 2-7 in seventh grade. The eighth graders beat Gaylord and Fairfax twice and Gibbon and Sleepy Eye once while losing to Franklin twice and to Gibbon once. The seventh graders beat Franklin and Sleepy Eye. The 27 ballplayers participating in the program improved in all phases of the game and should develop into some very fine athletes.

The Wrestling team had one of its most successful years ever. The boys wrestled respectably in all matches. The dual record was 5-8-1 but the team as a whole was a tournament team. We had six boys with winning records and they carried us in tournaments. We were third at Belle Plaine with 5 champions, second at Loyola with six runners up, fifth in the Conference tourney with 1 champ, 2 runners up and 3 thirds. The big thrill for all was the District runner up trophy. We had 4 champs, 1 second place, 1 third place and 2 fourth place finishers. Not a bad season for having eight new faces on the mat. We loose 3 regular Seniors. Dallas Muchow, Mark Flink, and Brad Remus. Brad won Conference, the District and the Region at 138 lbs. and placed in the top 8 in the state meet. We will return 11 lettermen and if we can make winners of these boys we will be contenders next year.

Brad Remus Goes To State

The B team wrestling squad finished the season with a 7-6 overall record. Included in this record are many matches which were lost by less than six points and several wins which were won by a margin of over 20 points. The team forfeited the upper two weight classes thru most of the season, thereby giving up 12 points. Among the defeated is the touted archrival Gaylord. The Junior High wrestlers attended a number of Jamborees this season, gaining valuable experience. To highlight the season, the Junior High wrestlers brought home the 1st place trophy from the Gaylord Invitational. We had 8 champs out of the 12 boys that wrestled. The Junior High and B squad wrestlers show lots of talent and the will to work. A squad spots won't be sacred—the young wrestlers will be making the regular A squad wrestlers fight to keep their positions.

Warrior Girls Have Mediocre Season Future Is Bright

Girl's Basketball in Winthrop continued to show improvement this year. Although the seasons record was 7-8 the girls were always battling and staying within striking distance in all games. The Tomahawk Conference record was 3-5 which found the Warriors in the middle of the race at the close of the season.

The girls scored 41 points per game over the year and gave up 35 points per game. Nancy Trebbensee was the leading scorer again this season totaling 254 points for an 18.1 average. Mary O'Brien was leading rebounder for the team collecting 8.5 rebounds each game.

The girls have a bright future as only two seniors were on this years squad of fourteen, and all of the starters will be returning next year.

The B squad showed improvement throughout the year and ended with a 3-9 record. These players will improve over the year and will help the varsity even more next year.

The Winthrop boys track team had a very successful season, sending four participants to the state meet in June. Three of the four placed in the top six with Dave Peterson finishing second in the 2-mile run, Brad Remus and Mark Flink finished 3rd and 4th in the pole vault. Steve Sallstrom competed in the shot put and discus, but failed to place in both events. Numerous school records were broken this year as the team continued to place high in each meet. They were champs in the Gaylord Invitational and runner-up in the District and Region and scoring 18 points in the state meet for the 6th place finish to cap off a fine season for the Warriors.

Mr. Parker

As you come to the last pages of the annual- I hope that you have enjoyed the changes in it. It took many hours for us to plan out all the new things.

You all know the cost of the annual went up some, but remember so has everything else!

I want to say Thank you to Mr. Ericson and Mark Flink for doing photo work for us, all the Annual Staff and a special two. A very special thanks to Mr. Adema our Advisor.

To our next year's editor Barb Berle and co-editors Kathy Messerli and Julie Nelson GOOD LUCK !!

Beth Hegberg-
